

Since 1991

*the gym with a difference*

15 July 2020

Dear members

We want to thank each member for your loyalty towards our family business during the Covid -19 lockdown!

Wayne's gym has been part of the Centurion community for 29 years and never faced anything like this before.

The lockdown has been difficult for all of us and we know some of our members were retrenched or faced salary cuts for a few months.

As gym owners we tried to accommodate our members as far as possible and appreciate the members that could pay their debit orders helping the business and understand it was not always possible for everybody.

We are already busy preparing the gym according to Covid -19 regulations and we cannot wait to welcome you back very soon. It will be different coming back to gym and we will have to get used to the new regulations, but we can and will adapt. The regulations will be posted on the web page and facebook once we get the green light to open.

The gym industry is scheduled to appear in court 26 July, desperately requesting for gyms to open and save the fitness industry.

If you want to stay updated with news, please visit the Wayne's Gym facebook or email us. You are welcome to email Michelle directly to make arrangement with your debit order payments if you are unable to pay your membership because of the circumstances. Each person will receive credit in training time once the gym opens again.

If you are unsure about anything or need more information, please contact us.

Thank you again for your loyal support.  
We cannot wait to see you all back at gym.

Wayne and Michelle Price
